RE: Replacement K-9 Acceptance Letter

Dear Dr. Caesar and Deanna DePaço:

On behalf of the Flagler County Sheriff's Office and the citizens of Flagler County, I graciously accept your donation of \$13,500 in funds to purchase a replacement for K-9 Baro. K9 Baro served our agency well for nearly 6 years, but recently began experiencing health issues that would limit his abilities to perform patrol work.

Your generosity to this agency does not go unnoticed. This donation will facilitate the 10th purchase of a K-9 with your assistance. That's ten amazing K-9 partners that provide our handler's the ability to keep our community safe by apprehending criminals, detecting narcotics, detecting explosives and locating lost persons.

I would also like to confirm that the Flagler County Sheriff's Office complies with all local, county, state and federal laws and regulations. We support and have law enforcement relationships with all federal, state and local law enforcement agencies.

Please accept my sincere thanks and appreciation for your donation and for your steadfast support of law enforcement and our K-9 Unit.

Best regards,

RICK STALY
Sheriff

RS/sg

Thank you for always supporting our K-9 unit. Hope to see you soon.

Proudly Serving the Community Since 1917
A Four Diamond Accredited Law Enforcement Agency
